

CAGS Transfer of Patients to other Surgeons Survey

jlidington@rcpsc.edu

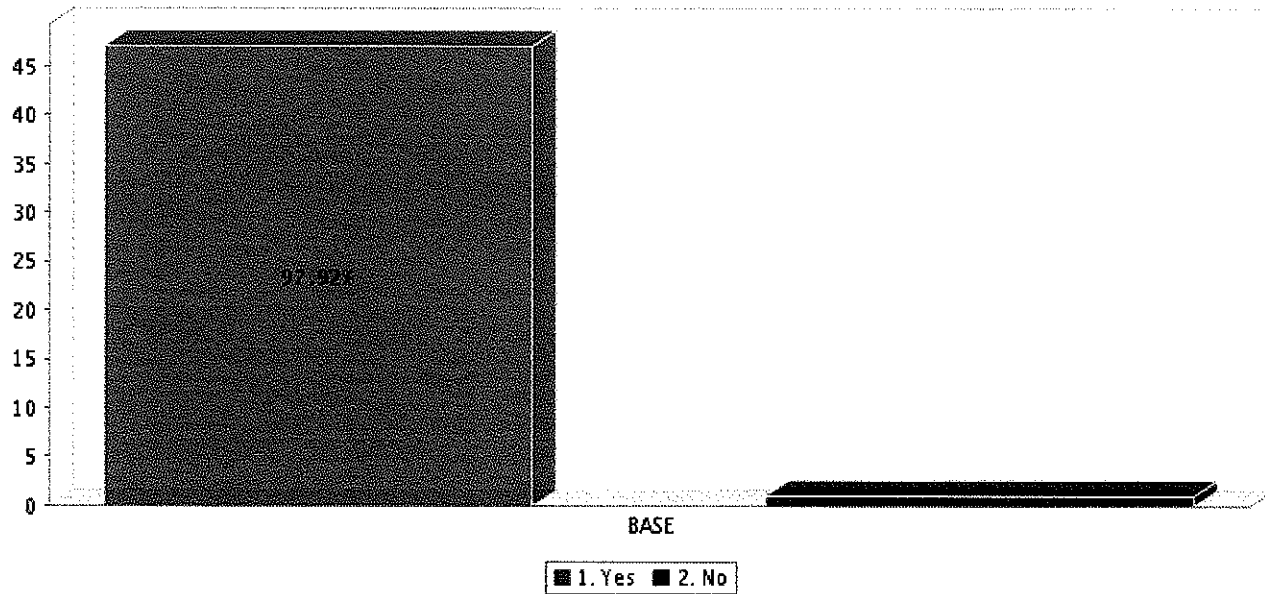

Survey Overview

Completion / Dropout

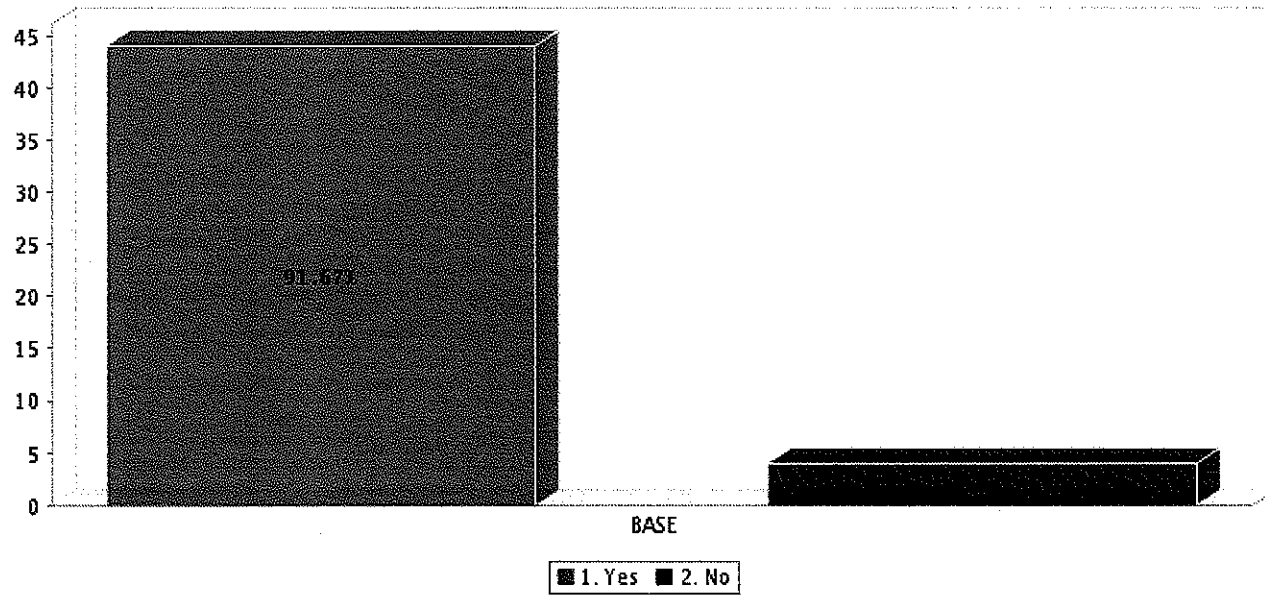

■ Completed = 46 ■ Drop Out = 6

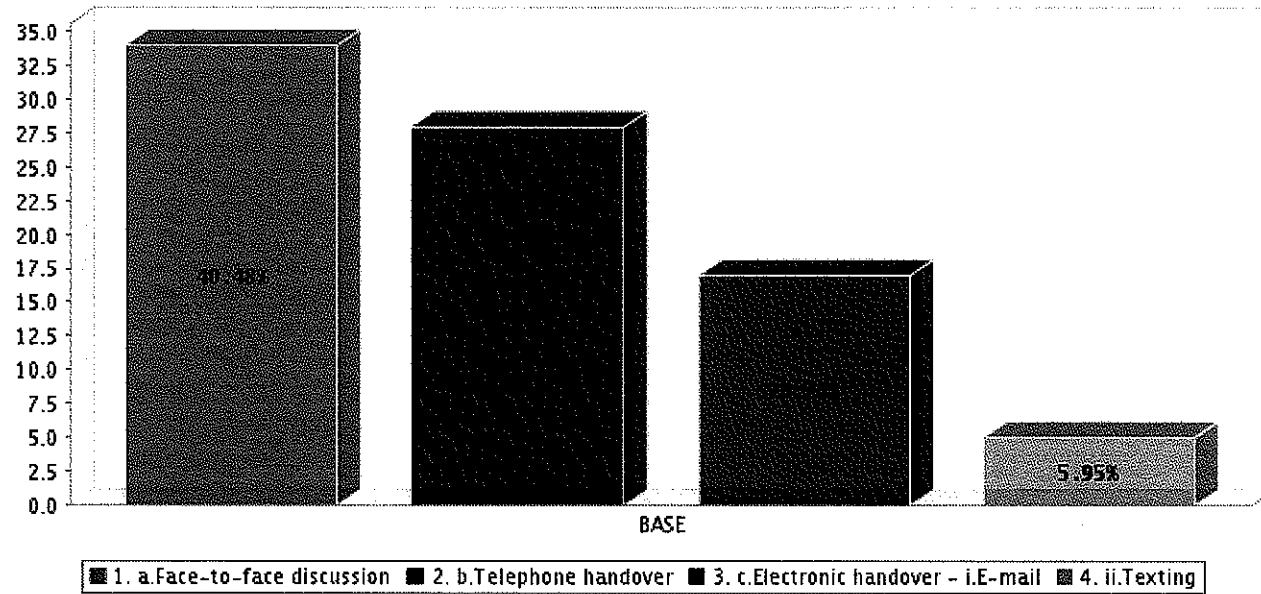

1. Does your practice involve shared responsibilities with other surgeons? (Acute Care Service, on-call shared responsibilities, locums)

2. If so, do you “handover” patient responsibilities routinely?

3. What method of handover do you use?

4. Do you feel that handovers are important for patient safety?
